FRANKY WAHYU PRASETYO

BACKEND DEVELOPER

My Name is Franky Wahyu Prasetyo ,I work as a backend developer and I have experience working professionally as a backend developer, I have the ambition to reach the top in what I do.

WORK EXPERIENCE

Pijar / BACKEND DEVELOPER

2025 Januari - 2025 Maret

Starting in early Januari 2025, I worked as a backend developer for Golang and NodeJS at PT Telkom Indonesia Tribe of Pijar Edu, I was assigned to this tribe to help work on the website project and update the Pijar Edu application to its latest version.

OSS / BACKEND DEVELOPER

2024 September - 2025 Januari

Starting in early September 2024, I worked as a backend developer for Golang at PT Telkom Indonesia Tribe of OSS, I was assigned to this tribe to support with the data migration project and to perform data encryption for the new database.

SATUNADI / BACKEND DEVELOPER

2024 March - 2024 September

Starting in early March 2024, I worked as a backend developer for Golang at PT Telkom Indonesia Tribe of Satunadi, I develop features from scratch, starting from creating repository, databases, and developing easy to complex features.I also create unit tests, and handle if there are problems when deploying to staging

AGREE / BACKEND DEVELOPER

2020 - 2024

Starting in early July 2020, I worked as a backend developer for NodeJS at PT Telkom Indonesia Tribe of Agreeculture, I helped in the B2B and B2C Agree application development process, I once carried out the deployment process for production

PT Telkomsigma / FRONTEND DEVELOPER

07/20 - 11/20

From July 2020 to November 2020 I interned at a technology company in Jakarta, I worked as a frontend developer, I helped in the application development process there and I got very good grades in this internship program.
